### **Voting Procedure and Vote Counting**

- (1) Each share carries one vote.
- (2) Shareholders attending the meeting in person and proxies according to Proxy Form A or Proxy Form B must cast their vote by choosing one of the following options: For, Against, or Abstain. Votes cannot be split for each agenda item.
- (3) Custodians appointed by foreign investors, who utilize Proxy Form C, have the option to split their votes for each agenda item.
- (4) In the event that a proxy is authorized to attend the meeting on behalf of a shareholder, the proxy has the authority to consider and vote on all matters without specifying voting intentions in the proxy form. The voting process will be the same as for shareholders attending the meeting in person. If the proxy has been instructed to vote on specific items in the proxy form, the company will record the votes as indicated in the proxy form after verifying the documents and registering the proxy for the meeting.
- (5) During the voting process for each agenda item, the chairperson of the meeting will inquire if there are any objections or abstentions. The system will then allow participants to cast their votes as "For," "Against," or "Abstain" within the specified time frame. If a participant fails to vote within the allotted time, they will be deemed to have voted in favor of the motion proposed at the meeting. Participants may revise their votes within the designated time frame. When counting votes for each agenda item, the company will deduct votes cast against or abstained and consider the remaining votes as affirmative.
- (6) Before voting on each agenda item, the chairperson will provide an opportunity for participants to inquire about relevant matters, as appropriate.
- (7) Decisions made at the meeting must be based on the following voting rules:
  - In normal cases, decisions will be based on the majority of votes cast by attending shareholders and proxies.
  - In other cases where laws or company regulations differ from the normal procedure, decisions will be made in accordance with those laws or regulations, with prior notification to shareholders attending the meeting.
  - In the event of a tie vote, the chairperson of the meeting will cast an additional deciding vote as a casting vote.
  - Shareholders or proxies with a special interest in any particular matter are requested to abstain from voting on that matter.
- (8) Vote counting will be conducted immediately, and the chairperson or meeting facilitator will announce the voting results for each agenda item.
